Enjoy the music of The Beatles with the sound of Connecticut's favorite Beatle Tribute Band tonight on the stage of the Riverdale YM-YWHA. You won't believe your ears! The fab five members of "The Mystery Tour" faithfully reproduce the look and sounds of Beatlemania with authentic sounds and costumes. Across the state, audiences have experienced the musical excitement of the 60s as "The Mystery Tour" unfolds with your favorite Beatle hits.

You will also see the group's transformation from their first appearance on the Ed Sullivan Show through to their psychedelic years. Accompanying their songs are the keyboard sounds of Greg Harris who recreates the orchestrations of the Beatles later period – from the lush strings of "Golden Slumbers" to the bright trumpet solo of "Penny Lane". So come together and enjoy the show!
