Got the write stuff?

Talented Bronx writers are invited to apply for the 2009-10 Literary Arts Fellowship and Residency from the Bronx Writers' Center, a program of the Council on the Arts.

Two nine-month fellowships are awarded to Bronx fiction writers, poets, playwrights and screenwriters. Fellows receive \$5,000 and must complete a community service project.

Visit the Writers' Center page at www.bronxarts.org for more information. ■
