

SELECTION OF AWARDS

The selection of awards is based solely on artistic excellence – the quality of work submitted – and decided by a panel of arts professionals. A new panel is convened each year. All materials and information involved in the selection process are kept confidential and are viewed anonymously by the panelists. When the application is received, a code number is assigned to each application and its corresponding material. The applicant's coded work sample is the only information available to the panelists for review. Materials not meeting the submission guidelines will render an application ineligible.

AWARD NOTIFICATION

Decisions will be e-mailed to all applicants approximately four months after the deadline date. Winners will be invited to a ceremony in June of 2018 at which they will be honored and receive the award. They are then required to complete a one-time community service activity known as Artists for Community Enrichment (ACE) within a year. All BRIO awards are subject to verification of information submitted and proof of Bronx residency.

ABOUT ACE (ARTISTS FOR COMMUNITY ENRICHMENT)

An important and integral component of BRIO is ACE which requires each awardee to present a one-time public service activity within the one-year period of the award. This initiative was created to provide artists with additional visibility and also to provide Bronxites with the opportunity to experience the wealth of talent available in the community.
