Senior Center Narrative

Please describe the culture and activity of your center. What is it like on a daily basis? How would you characterize your senior members' level of energy and engagement?

Morris ISC serves over 160 older Individuals on a daily basis. Our population is very diverse and energetic. Most of our participants are of Hispanic origin, the participants love to dance, sing and engage in health-related activities, like exercise and Aerobic exercise.

How do you believe the SU-CASA program would benefit your members and your center? What do you hope to gain?

I believe that the SU-CASA program can benefit our Innovative senior center members by providing awareness and knowledge of the diversity in Cultural Arts. One cultural Arts program that I would love to introduce at Morris ISC is Bomba & Plena Dance. The Artist can educate the participants of the origin of the dance and how the drums speak to the dancer and/or the dancer speaks to the drums. This cultural dance can and will engage participants in the Art of culture and dance.

What is the best way to introduce new programs at your center? How would you work with the SU-CASA arts partner to introduce the program to your center and recruit members to participate?

Myself and Program Specialist will work and in hand with the Artist to introduce him/her to the congregation. In addition, we will help the Artist create fliers and promote the cultural Arts sessions to the participants.

Supplemental Materials

Please also include any photographs of the classroom, the exhibition/performance space, or other facilities that would be used for SU-CASA, if available.
